## PROFILE

Chuah's area of practice is real estate and project development as well as banking & finance. Chuah is regularly sought by major property developers and financial institutions for advice and representation in general conveyancing, corporate financing, Islamic banking and land-related issues, property acquisition and disposal, commercial leasing, joint venture and property financing, drafting of agreements on shareholding, partnership, service, consultancy, construction, supply and settlement.

His clientele is a mixture of individuals and developers. He regularly advises developers on mixed commercial and residential development projects with limited common property to be enjoyed by a certain category of purchasers. He has represented two major developers in the sale transaction of a residence development, a township development project and service apartments in Penang and Butterworth.

He is also being sought by individuals and corporations for advice and representation on matters pertaining to trust and succession.
