

## LAUREL LIM MEI YING

### ASSOCIATE

Laurel is an associate based in our Kuala Lumpur office, where her main area of practice is capital markets, corporate and commercial.

Laurel delivers comprehensive legal solutions for corporate needs by advising and assisting various companies in a wide array of corporate exercises. From strategic restructuring initiatives and corporate governance enhancements to intricate mergers, acquisitions and joint ventures, offering a one-stop destination for corporate legal requirements.

### EXPERIENCE

- **Commercial Contract Negotiations and Documentation:** Negotiated and drafted a wide range of commercial contracts including sale and purchase agreements, joint venture agreements, supply and distribution agreements, licensing agreements and service contracts. Collaborated with business stakeholders to understand objectives and priorities, balancing legal protections with commercial considerations. Advised on contract interpretation and enforcement, resolving disputes and mitigating liabilities to safeguard client's interests.
- **Strategic Transaction Advisory:** Led strategic transaction advisory for domestic and international mergers and acquisitions (M&A) across various industries. Provided comprehensive legal analysis and due diligence assessments to identify potential risks and opportunities. Advised clients on deal structuring, negotiation strategies and regulatory compliance.
- **Initial Public Offerings (IPOs) and Secondary Offerings:** Advised companies on the intricacies and procedures of going public through IPOs and subsequent secondary offerings. Assisted in the preparation of prospectuses, information memorandums, registration statements, and offering documents. Conducted due diligence reviews and coordinated with financial advisers, sponsors and underwriters as well as regulatory authorities to ensure compliance with securities laws and exchange listing requirements.
- **Capital Raising Initiatives:** Led capital raising initiatives for emerging companies across diverse industries. Structured and executed private placement offerings, venture capital financings and strategic investments.
- **Due Diligence Management:** Managed comprehensive due diligence processes for M&A transactions, coordinating legal, financial, and operational due diligence efforts. Oversaw the identification, evaluation, and mitigation of legal risks and liabilities, including litigation exposure, regulatory compliance issues, and contractual obligations. Prepared due diligence reports and findings summaries for clients and counterparties, informing decision-making and negotiation strategies.
- **Corporate Governanec Enhancements:** Assisted public listed companies in enhancing corporate governance practices to align with evolving regulatory standards and investor expectations. Conducted governance assessments and disclosure practices. Drafted and implemented governance policies and procedures.
