Yeo Yi Qing is an Associate with the Technology Practice Group at HHQ, specializing in technology, media, and telecommunication sectors. With her experience in her previous roles, Yi Qing possesses a solid foundation in advising clients operating within the TMT sector.

Her experience includes assisting technology company in safeguarding intellectual property rights, advising on regulatory compliance issues relevant to digital platforms, and supporting media companies with their operational needs. She has engaged in work involving the review and drafting of commercial agreements, including those related to technology services and media production support. Her exposure to a variety of regulatory frameworks has equipped her with the skills to guide clients through compliance challenges.

Her exposure to broader corporate and commercial matters, including employment advisory, compliance and corporate governance issues, further supports her ability to deliver practical, sector-relevant advice to clients in the fast-evolving technology, media, and telecommunication landscape. She demonstrates strong research, drafting, and analytical skills, which enable her to meet the needs of clients in the fast-evolving TMT landscape.

Experiences

- Assisted in IP enforcement exercise for a foreign digital software company, including evidence collection and settlement negotiations
- Assisted in the proposed initial exchange offering of a green energy company on a private equity platform
- Assisted in an Islamic banking transaction for an energy company, including drafting of key agreements and attending to the satisfaction of condition precedents
- Provided legal opinion on regulatory issues for a foreign company's entry into Malaysia's online travel services market
- Provided legal opinion on the sale and issuance of foreign structured financial notes in Malaysia
- Provided legal opinion on licensing requirements for the importation of aerospace components and operation of an MRO company
- Assisted in a land reclamation project in Melaka by a local company, including drafting, reviewing and negotiating key documents
- Drafted and advised on a wide range of IP-related agreements, encompassing, licensing, assignment, co-existence, non-disclosure, joint development and technology transfer, and distribution agreements.
